

PRESS RELEASE

The Lowriders UK Tour

To commemorate the release of their upcoming debut album, **Fury**, and the accompanying single, **Who's Gonna Save Your Soul**, Essex based rockers, **The Lowriders**, are hitting the road on a mini tour of the UK, spanning September until November.

The band, consisting of **Dave Garlick** (vox), **Brian Ware** (guitar), **Adam Parrott** (drums) and **Jay Chamberlain** (bass), were formerly known as **Freud**, and they have used their previous recording experiences as a creative well to shape the tone of their upcoming album, **Fury**.

Having changed their name and created their own label (**Adrenalin Records**) in 2008, **The Lowriders** have accomplished a sound that harks back to the days when bands would captivate an audience in a smoky bar with their simple, yet effective, rock and roll grooves, and confrontational front men: this tour marks a great opportunity to catch the band live on stage, in their natural habitat.

Check out **The Lowriders'** captivating live show at one of the dates listed below:

October

21st October - Fusion - **Chelmsford**

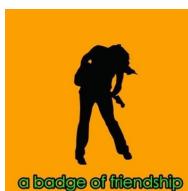

25th October - The Colchester Arts Centre (supporting **Pop Will Eat Itself**) - **Colchester**

November
