

SINGLE PRESS RELEASE

Femegades  
*Toolish*

**Release:** 9th November 2023

**For fans of...** Hole, Veruca Salt, Skating Polly

---

**Femegades** will round off a successful 2023 with the release of their final single of the year. A nuanced, layered alt.rock track, **Toolish** follows on from the guitar-laden soundscapes of *What Is Yours Is Mine* and scuzzy banger, *Depleted*.

Aptly described as “If Bikini kill and The Clash had a lovechild, but was raised by Courtney Love, chances are Femegades would be that kid...”, Femegades have had a year to remember. Having previously been featured by the likes of **Clash Magazine**, **Loud Women** and **Get In Her Ears**, Femegades have continued to impress tastemakers and music lovers alike. Support from **BBC Introducing Rock**, **BBC Future Alternative**, **The Punk Site**, **Punktuation Turn Up The Volume**, **If It's Too Loud** and many more highlights the band's status as 'ones to watch' in 2024.

Latest single *Toolish*, is another illustration of Femegades willingness to approach challenging subject matter without fear or favour. It is a song that is dedicated to anyone who has been unable to combat unwanted attention from *that guy*. *Toolish* also aims to serve as a wake up call to any individual expressing opinions such as “why didn't she just fight back?”

*Toolish* exemplifies all that is good about Femegades: passionate, visceral, hooky, grungey and rebellious. A subtle, undulating track, *Toolish* builds throughout as grooving baselines, soaring guitar notes and an intense drum beat is complimented by singer **Em**'s powerful vocal.

Femegades are aiming for a final flurry to end 2023 on a high. *Toolish* will drop on 9th November and will be followed by a showcase on 30th November with **Radio Wigwam** and **Jamma** at **Camden Club**. The band are already planning for 2024 with a single in the works for early new year with a full EP release, containing all four tracks, coinciding with the final single release.

**Toolish** is out on **9th November 2023**.
