**Release:** 20th August 2020

**For fans of:** John Carpenter, Alan Howarth

Having lent their talents to the **Far Cry** video game series, **Starlink: Battle for Atlas**, **Tom Clancy's Rainbow Six: Siege**, and horror films like **The Ranger (Shudder)**, **Wade MacNeil (Alexisonfire, Gallows)** and **Andrew "Ango" Macpherson (Goon: Last of the Enforcers, Dark Side of the Ring)** are delighted to announce the release of their score for the **Jay Baruchel** directed horror, **Random Acts of Violence**.

Ominous, yet understated, the duo have created a brooding, unsettling style of electronica. Characterised by its atmospheric soundscapes and a pulsating, hypnotic edge, the score perfectly echoes the themes depicted in an uncompromising, visually stunning film.

Based on the **Image Comics** graphic novel by **Justin Gray** and **Jimmy Palmiotti**, *Random Acts of Violence* is an elevated slasher horror that will easily become a cult favourite; scratching the entertainment element of horror whilst searching for the deeper meaning behind the violence. The film explores the idea of legitimising cruelty, and the fact that monsters are not merely monsters, they are broken people. Stretching from one end of the emotional spectrum to the other, it holds a mirror up to art, society and violence.

Wade MacNeil is the founder and guitarist of Alexisonfire, and has also served as frontman of renowned punk band Gallows. In 2017, Wade composed additional music for Jay Baruchel's comedy *Goon: Last of the Enforcers*, where he met Andrew.

Andrew "Ango" Macpherson is a producer, composer and filmmaker. He has produced music for the likes of **Jacques Greene, Machinedrum, Tommy Genesis, Cadence Weapon, Jesse Boykins III, Lunice, Katy B, Syv de Blare** and many more. Andrew has also recorded for UK label LuckyMe Records and produced tracks for labels such as **Last Gang, eOne, Ninja Tune, 4AD, B4 Sounds, True Romance** and **100%Silk**. In 2015, Andrew wrote and produced on the Juno-nominated album **Dirty Laundry** by **Ben Stevenson** and he is an alum and studio team member of the **Red Bull Music Academy**.

**Random Acts of Violence**, an original score by **Wade MacNeil** and **Andrew "Ango" Macpherson**, is out on **30th October 2020** via **Dine Alone Records**.
